OS PROGRAMAS ANOS INCRÍVEIS EM PORTUGAL: DE ONDE VIMOS E PARA ONDE QUEREMOS IR?

***INCREDIBLE YEARS PROGRAMMES IN PORTUGAL:
FROM WHERE DID WE COME, WHERE ARE
WE AND TO WHERE DO WE WANT TO GO.***

The Incredible Years, developed by Carolyn Webster-Stratton in USA, are research-based, proven effective programmes for reducing children's aggression and behaviour problems and increasing social competence at home and at school.

In this presentation we are going to share our experience with the development, delivery and research of those programs in Portugal. Some promising results are going to be presented.
